

# New Office Opening Soon in Burton!

Routes Healthcare Nursing Agency is about to launch its new EAST MIDLANDS office to be based in BURTON.

From this office we will cover BURTON, COVENTRY, DERBY, LEICESTER, LICHFIELD, NOTTINGHAM, STOKE and TAMWORTH.

We will continue to endeavor to Save you Time, Save you Money and work with you to enhance patient care, supplying NURSES, HEALTHCARE ASSISTANTS, HEALTHCARE SUPPORT WORKERS, ODPs and THEATRE STAFF.

The new office will be open before the end of 2007. In the meantime we will continue to operate from our Birmingham Office.

The nursing agency team at Routes has many years experience in both the recruitment and healthcare industries. Many of the team are nurses themselves and the majority of us have worked within recruitment for more than a decade.

Over time we have learnt what works well when running a nursing agency and more importantly what our workforce and customers need. We pride ourselves on working quickly, efficiently and professionally.

We provide a 24 hour service and can be contacted anytime, 7 days a week. When you call out of hours you will be speaking with a member of our on-call team who will be able to deal with your enquiry immediately.

We always look to give you a cost effective service, giving you peace of mind and saving you time to spend on other urgent matters!

If we can be of assistance in covering any shifts you are currently looking to fill, or if you would like more information about Routes and the service we provide, then please contact myself, Louise Frost, Branch Manager of the Burton Office on 0121 503 4444.
